

FACULTY POSITION IN EXPERIMENTAL ATOMIC, MOLECULAR, AND OPTICAL PHYSICS
Purdue University

The Department of Physics and Astronomy at Purdue University (www.physics.purdue.edu) seeks applications for a faculty position at the rank of Assistant Professor in the area of experimental atomic, molecular, and optical physics. Applicants must have a Ph.D. in physics or a related field, an outstanding record of research accomplishments, and evidence of potential excellence in teaching at both the undergraduate and graduate levels. Salary and benefits are highly competitive. Candidates are expected to develop a vigorous research program, supervise graduate students, and teach undergraduate and graduate courses. Interested candidates should submit their curriculum vitae, publication list, brief descriptions of their planned research program and teaching philosophy, and a list of three references. Electronic submission is preferred: <https://www.physics.purdue.edu/searches/app/>. Questions regarding the position and search should be directed to Chris Greene at chgreene@purdue.edu. Applications completed by January 8, 2018 will be given full consideration, although the search will continue until the position is filled.

Purdue University's Department of Physics and Astronomy is committed to advancing diversity in all areas of faculty effort, including scholarship, instruction, and engagement. Candidates should address at least one of these areas in their cover letter, indicating their past experiences, current interests or activities, and/or future goals to promote a climate that values diversity and inclusion. Purdue University requires a background check for employment in all positions.

Purdue University is an EOE/AA employer. All individuals, including minorities, women, individuals with disabilities, and veterans are encouraged to app
