## UNDERGRADUATE SUMMER STUDY ABROAD SCHOLARSHIPS

The Nationality Rooms have awarded annual scholarships for summer study abroad to all parts of the world since 1948. The purpose of the awards is to **give Pitt students the opportunity to experience in-depth immersion in another culture.** It is critical that the applicants choose a program that will maximize their contact with the populace abroad and qualify for academic credit with the University. Applicants **may apply for up to two scholarships, but can only receive one award.** We welcome students of all majors and courses of study.
